

Empress

- A bordered Chesterfield frame housing the mattress in the middle
- An upholstered high headboard resembling a 'wall board' look.
- No feet on the bed

After the birth of our 'x' bed and the love we received from our customers. We decided to explore a little deeper and our designers decided to go back to the drawing board to bring you some variety. The s line was born! so everyone could enjoy it regardless of the size of their room. Beautiful as well as practical, The Empress S line is hand crafted to perfection with royal Chesterfield inspired detail on the headboard and footboard. The side rails are plain to complement and drive focus on the grande Chesterfield headboard. Handmade in the U.K from British Hardwood to last a lifetime. A wide array of fabrics and colours choices to fit your bespoke interior.
