

Manhattan

- Low foot end and side rails
- With a 60" high headboard it is raised in the centre in separate 'skyscraper' like design.
- Lines going down the headboard which inspired the name 'Manhattan' as it resembles the skyline of a city.
- Metal Pipe shaped feet.

Introducing the sky scraper which holds it's own in any skyline. The Manhattan is a bed made for the stars, it exudes glamour and class with its striking design and iconic headboard style. The Manhattan incorporates the growing trend for wall headboards by providing an envious height saving the hassle of drilling into walls. The headboard is lavishly upholstered and generously padded in our premium plush velvet fabric. Soft to touch and it accentuates the 7 panel design perfectly.
